SHREE TIRUPATI BALAJEE FIBC PVT. LTD.

About us

Established in 2001, Shree Tirupati Balajee group of companies with a strong vision to be the pioneer of bulk packaging manufacturer in India. The company has a fully integrated facility and is operating from 5 locations all within two miles of each other. We are certified with **ISO 9001:2008 & 22000-2005** and all our products are manufactured from approved materials that have passed rigid testing and inspection routines as well as meeting high quality and contamination conscience standard of the International Food and Pharmaceutical Grade Industry requirements. These international benchmarks bear the testimony to the excellence we provide to our customers spread across the globe.

SHREE TIRUPATI
